

Developing OutSystems Web Apps

Course Wrap up

Training

The screenshot shows the OutSystems Training page. At the top is a dark navigation bar with the OutSystems logo, 'Platform', 'Learn', 'Community', 'Support', a search icon, and a settings icon. Below this is a secondary navigation bar with 'Training' (underlined), 'Documentation', and 'Evaluation Guide'. The main content area has a 'Training' heading and a welcome message: 'Welcome to OutSystems University! Learn to build apps. Make new friends. Graduate without any crippling debts!'. Below this is another navigation bar with 'Welcome' (underlined), 'Guided Paths', 'Courses', 'Tech Talks', 'Classroom', and 'Certifications'. The main content area has a blue background with the text 'Keep on going!' and 'Last lesson you started was **Typical Module Elements** as part of **Designing Apps Using an Architecture Framework** course.' A red 'RESUME' button is present. To the right is a white card with a green header showing '70 Minutes' and 'Intro'. The card title is 'Designing Apps Using an Architecture Framework'. It features a green progress bar at 85% and a breadcrumb trail 'Architecture > Architecture Design'.

Community

The screenshot shows the OutSystems Community website. The top navigation bar includes links for PLATFORM, LEARN, COMMUNITY, and SUPPORT, along with a search icon and a 'SIGN UP or LOG IN' link. Below this is a secondary navigation bar with HOME, FORUMS, FORGE, and IDEAS. The main content area features a large teal banner with the text 'DO YOU HAVE A QUESTION? FIND YOUR ANSWER HERE!' and a 'VISIT THE FORUMS' button. To the right of the banner is a sidebar with 'WELCOME', 'FORUMS', and 'FORGE' links. Below the banner is a search bar with the text 'Search the Forums' and a 'SEARCH' button, followed by an 'or' separator and an 'ASK A QUESTION' button. To the right of the search bar are two boxes: 'MEMBERS 141 756' and 'FORGE DOWNLOADS 342 160'. Below the search bar is a section with three tabs: FORUM, FORGE, and IDEAS. The FORUM tab is active, showing a list of forum posts. The first post is titled 'Take datetime from json response' by 'Forge Discussions' and has 14 replies. The second post is titled '[Web Application] How to cache an entity which is used in combo box'. To the right of the forum posts is a section titled 'OutSystems Job Board' featuring a job listing for 'McKee Foods' as a 'Web Application Developer' located in 'Collegedale, TN - United States'.
